MARVEL TOGETHER EXCELLENT
TOGETHERWITH YOU ALL THE WAY

The name Big U defines a new level of luxury in bathroom space.
Big U not only symbolizes excellent quality and experience,
but also symbolizes our consistent commitment to care:
U with you all the way, sharing a better life.

Ergonomic large U-shaped seat

Introducing a large U-shaped seat that is wide, fits the hips, and curves to ensure even pressure distribution and effectively reduce discomfort caused by sitting for long periods of time

Bionic streamline design

Combining natural aesthetics and technological power, the smooth U-shaped lines are not only beautiful and elegant, but also conform to aerodynamic principles.

LET EVERY MOMENT
OF COMFORT BE ENJOYED BY U

The most ergonomic design language delivers unprecedented comfort. Every inch of arc is a reflection of the pursuit of excellence in details.

TO BE A PERSON IS NOT ONLY TO BE KNOWLEDGEABLE, BUT ALSO TO KNOW SOME "THIN" KNOWLEDGE

As thin as cicada wings and as quiet as poetry,
it leads the bathroom fashion with its lightweight and stylish
thin cover design. Every inch of line interprets the perfect
fusion of minimalism and exquisiteness. Thin is not only about shape,
but also an elegant challenge to space aesthetics

PROMISE · MOON SHADOW

The all-inclusive curved ultra-thin design is an ultimate pursuit that reflects our exploration and design of craftsmanship.

QUIET AND SILENT

Equipped with advanced silent flushing technology, it achieves a nearly silent flushing effect by optimizing the water flow dynamic path and noise reduction technology.

THE "THIN WING" DEBATE IS OBVIOUS

Not only is it slim and elegant in appearance,
it is also unique in flushing technology.
Its silent flushing function is like a whisper in the night,
silent and not disturbing the sweet dream.
